

Balloon Light Product Release

Definitely the **COOLEST BIRTHDAY BALLOON DECORATIONS AROUND**, the original Balloominator™ from Ballumination will make any latex balloon or foil mylar balloon with clear windows flash and light up for the **ULTIMATE in PARTY FUN**. They work in all latex or other semi-transparent balloons and even float in helium balloons!

Available in **RED, BLUE, YELLOW, GREEN** or **WHITE** the Balloominator illuminates balloons. Select the right colour Balloominator and the perfect latex balloon and you can even watch the balloon change colour - right before your eyes.

The devices work particularly well attracting attention to birthdays, anniversaries, weddings or baby showers balloons or in balloon bouquets and are just as popular when used booths at trade shows and drawing attention to cars in lots at auto dealerships at night. Professional designers use them in archways into event venues and really, anywhere they want to turn heads. It really is - **a truly amazing device!**

Balloominators even allow pool party planners to illuminate a pool with different colour lights. The 1 ¼ inch re-usable device emits no heat will shine at maximum intensity for up to four hours and then it will slowly diminishes over a 24 - 48 hour period on one set of batteries. The LED's will last approx. 100,000. The balloon light is compatible with sealant used by professional balloon decorators.

Some uses for the balloon light include-

- **EVERY SINGLE PARTY and EVENT YOU CAN THINK OF!**
- Eye-catching illuminated balloon arches at night for any event.
- Wonderful for parties around the pool.
- A swimming pool filled with floating balloons that blink and sparkle would be just the ticket.
- Exciting balloon sculptures.
- Valentines Day. Red flashing Balloominators inside of latex heart shaped balloons or Mylar Balloons that have clear portions in them.
- Tied to the antennas of cars and floating in the air at night at Automotive Dealerships. You could see the car lot for miles!
- Every Birthday party.
- Illuminated balloon bouquets.
- Large balloon drops. Before the drop there would be 1000's of blinking "stars" overhead! Then they would slowly descend to earth.
- An exciting addition to all New Years celebrations.
- At carnivals and the circus! Oh how they would light up the big-top.
- A train of balloons tied to the mailbox to signify where the big event is.
- Amusement parks at night.
- Use them as a strobe light.
- The uses are only limited by your imagination...

* Want more fun?
put a green and red
into a normal white
balloon and fasten
with a elastic band.
Or try a red and blue
light at each end of a
long white balloon.
